Narrative Questions. We do not ask these questions looking for the right answer but to gain a sense of how you would be in the cohort and to curate eight people that will be an exciting and interesting group together. (Please don't sweat it!)

1. Tell us about how you came to be an artist? What inspires you to be an artist? Tell us about some of the work you have done/ created/ engaged with? Limit 300 words

2. Why are you applying to this program? What is something you would like to learn during the Institute? Limit 100 words

3. What is something you would bring to the institute? Write to your strengths. Limit 100 words

4. Seeding Change Institute is a cohort and is focused on deep inquiry with other artists and guest artists. Describe how you are in a group setting and what your strengths and challenges are for working in a cohort. Limit 100 words

5. Who is an artist you admire/ learn from? Why? Limit 200 words

6. Anything else you want to add? (optional) Limit 100 words.

You may also share a work sample and/or your website if you have one. For work samples (one page of writing/ 3 mins of video/ 2-5 photographs. For video a link is fine but if it's longer than 3 minutes tell us where to start watching)

Your Name, Title and Date of Work, Role, Any Description Needed

The Seeding Change Institute welcomes emerging and more established artists and takes into account that not everyone has a work sample or website. This will not count against you in the decision making process but will help us get to know you as an artist.

Thanks For Applying!
